#### RECOGNIZING THE 2018 SISTER CITIES INTERNATIONAL ANNUAL CONFERENCE

#### HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 25, 2018*

Mr. COFFMAN. Mr. Speaker, I rise today to recognize the 2018 Sister Cities International Annual Conference. For 2018, the conference will take place in my hometown of Aurora, Colorado, from the 2nd to the 4th of August. This is both Aurora's and Colorado's first time hosting this important international conference. I look forward to participating in it as a guest and as a speaker.

First established in 1984, the Sister Cities International Annual Conference joins together numerous government officials, national leaders, business leaders, and diplomats for dialogue on many important global issues. The focus of this year's conference is Cities Leading the Way. It will showcase how, "in an era of unrest, cities across the globe are leading efforts to create smarter, healthier, more inclusive, and more innovative communities."

I am proud to attend this prestigious event and look forward to observing how its participants will offer ideas on how to resolve important global issues and promote cross-cultural dialogue at the highest level. Colorado is a world leader in a variety of fields, including agriculture, energy, medical research, natural resources, and tourism. There are numerous tours and guest speakers Colorado will provide to inform and assist the participants as they develop ideas and solutions. I am confident that all will look back upon the conclusion of the conference and recognize that Aurora was a wonderful place to meet.

The Conference made the decision to award the 2018 event to Aurora thanks to the efforts of many, but I want to note particularly the leadership of my late friend and Aurora's biggest booster, Mayor Stephen Hogan. I know it would have meant a great deal to Mayor Hogan to have participated in and to have opened this conference. I am confident that Aurora's new Mayor, Bob LeGare, will ensure that it will be a great success. Finally, I wish to recognize the work of Sister Cities International led by Board Chair, Tim Quigley, and Aurora Sister Cities International led by Board Chair, Dr. Christopher Ward.

#### TRIBUTE TO YOUNG STAFF MEMBERS FOR THEIR CONTRIBUTIONS ON BEHALF OF THE PEOPLE OF THE 18TH CONGRESSIONAL DISTRICT OF TEXAS AND THE UNITED STATES

#### HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 25, 2018*

Ms. JACKSON LEE. Mr. Speaker, as Members of Congress we know well, perhaps better than most, how blessed our nation is to have in reserve such exceptional young men and women who will go on to become leaders in their local communities, states, and the nation in the areas of business, education, government, philanthropy, the arts and culture, and the military.

We know this because we see them and benefit from their contributions every day. Many of them work for us in our offices as junior staff members, congressional fellows, or interns and they do amazing work for and on behalf of the constituents we are privileged to represent.

Mr. Speaker, I believe there is no higher calling than the call to serve a cause larger than ourselves. That is why I ran for public office. I was inspired to serve by President Kennedy who said, "Ask not what your country can do for you, ask what you can do for your country," and by the Rev. Dr. Martin Luther King, Jr. who said, "Everybody can be great because anybody can serve. . . . You only need a heart full of grace. A soul generated by love."

By this measure, there are several other great young men and women who served as volunteers this year in my offices. They may toil in obscurity but their contributions to the constituents we serve are deeply appreciated. That is why today I rise to pay tribute to 13 extraordinary young persons for their service to my constituents in the 18th Congressional District of Texas and to the American people. They are:

Callie Lucia from Texas Christian University; Kelly Clifford from New York University; Matthew Marion from the University of Colorado; Farah Mechref from Texas Tech University; Chaniqua Nelson from Howard University; Zohair Alam from the University of Houston; Sabri Siraj from Arizona State University; Naomi Stelivan from Fisk University; Andy Hong from Brown University; Mariam Boguifo from Texas Tech University; Rishal Jagtap from Langley High School; Ritwik Jagtap from Langley High School; and Fangxin 'Amy' Yu from The Madeira School.

Mr. Speaker, the energy, intelligence, and idealism these wonderful young people brought to my office and those interning in the offices of my colleagues help keep our democracy vibrant. The insights, skills, and knowledge of the governmental process they gain from their experiences will last a lifetime and prove invaluable to them as they go about making their mark in this world.

Because of persons like them the future of our country is bright and its best days lie ahead. I wish them all well.

Mr. Speaker, I am grateful that such thoughtful committed young men and women can be found working in my office, those of my colleagues, and in every community in

America. Their good works will keep America great, good, and forever young.

#### SENATE COMMITTEE MEETINGS

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
